

# Vegan leather | *Pampa R*

Organic | Plant composition

KF 1010

The natural resins used in the design of *Pampa R* vegan leather come from a culture without GMOs, pesticides or herbicides. A culture naturally absorbs 8,100 tons of CO<sub>2</sub> annually.

*Pampa R* is an organic vegan leather, supple, breathable and stands out for its great softness to the touch.

A sustainable alternative, cruelty-free, zero toxicity, PVC-free, phthalates-free and DMF-free.
