

Ecological comfort foam | *Kushon Confort*

Organic | Plant composition

KF 900-20

Kushon Confort is a 100% natural polymer, sustainably harvested from a renewable resource and manufactured with 15% recycled content.

Features

- ◆ Open cell structure
- ◆ Compressive strength
- ◆ Natural resistance to microbial growth
- ◆ Eco-friendly with both renewable and recycled ingredients
- ◆ Sustainable

THICKNESS

- ◆ 3 mm

SHORE

- ◆ 40

COMPRESSION STRENGTH

- ◆ 55 kPa

DENSITY

- ◆ 416 g/m³

Color

- ◆ Sand
