

# Ecological comfort foam | *Resource*

Organic | Plant composition

KF 900-10

A product that meets the new requirements of sustainable development. The product formulation uses soybean oil to replace 45% of petroleum-based.

## Features

- ◆ Does not contain latex, PVC, VOCs or heavy metals
- ◆ Durable material
- ◆ Excellent compressive strength
- ◆ Very good shock wave absorption capacity
- ◆ Naturally resistant to fungal growth

### THICKNESS

- ◆ 3 mm

### SHORE

- ◆ 8

### COMPRESSION STRENGTH

- ◆ 6 to 20 kPa

### DENSITY

- ◆ 272 g/m<sup>3</sup>

## Color

- ◆ Kaki
